

## Concord Brings Style to Office Refurbishment

### Concord's design-led luminaires prove a hit for eye-catching London office

Concord's design-led luminaires are proving a hit at an eye-catching office building in the West End of London. 17 Connaught Place, situated near Marble Arch, has recently undergone a major refurbishment to provide up to 32,678ft<sup>2</sup> of Grade A office accommodation, which includes a garden, ground floor, and six upper floors. Concord luminaires have been used throughout the building to bring a functional, stylish and reliable lighting scheme to the reception areas, lift lobbies and stairwells as well as feature perimeter lighting in the offices.

A new category A mechanical and electrical installation was carried out by Designer Group on a design and build contract. Concord's Mini Continuum LED from Feilo Sylvania has been installed in the reception area, lift lobbies and stairwells on all floors to offer continuous, highly uniform lines of light across walls and ceilings. On the perimeter of each floor, Feilo Sylvania has installed 300 x 300mm customized recessed versions of its Lumiance Lumipanel.
