Concord Colossal

Diffused soft light in a
beautiful design

The beauty of **light**

Concord Colossal

Sleekness, elegance and softness

Sylvania's new Concord Colossal luminaires are best characterized by these three words. Pure circular lines and slender body define the stylish range that elevates spaces to the next level with its diffused light.

Concord Colossal gives chic to every area it lights.

Concord Colossal

Concord Colossal is Sylvania's new round-shaped luminaire range combining the purest modern appearance with the latest highly efficient lighting technology. The composition of the slightly curved, slim aluminium ring and the full flat homogenous diffuser provides perfect lighting experience in all office, retail and hospitality interiors and decorative applications.

This wide-area luminaire family with minimalist and elegant style is designed to complement any interior whether it is surface mounted or a pendant.

Concord Colossal

Concord Colossal

Thanks to its design the new Colossal delivers soft, extremely homogeneous, glare-free, efficient and uniform illumination in all environments.

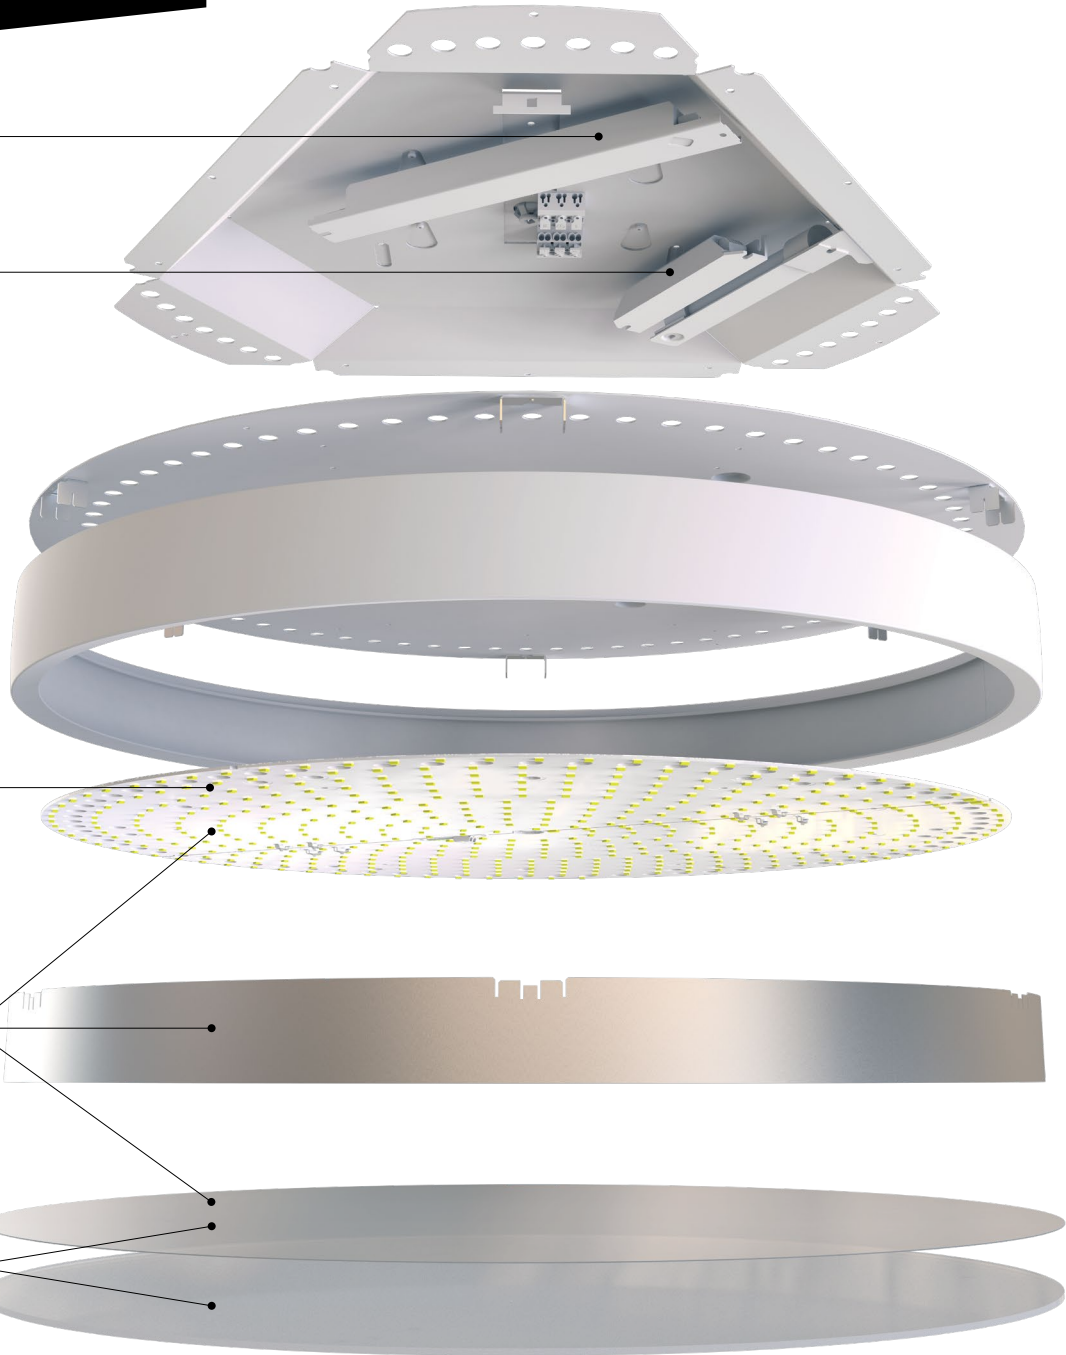

Efficacy up to 145lm/W

3hrs emergency available for all dimensions

CRI80 and CRI90*

Homogenous light distribution

Comfort light
UGR ≤ 19

*Only 4000K versions.

All dimensions are SylSmart Connected and SylSmart Standalone enabled.

Concord Colossal

The wide variety of dimensions and the optional light distributions provide freedom of choice to create unique lighting installations. The similar round shape in four different dimensions means that Colossal can be positioned at random and in any direction in a room, without compromising the constant quality of light.
